Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Sunday 11 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers clearing overnight, sunny intervals and isolated showers Monday.

This Evening and Tonight:
Cloudy through the evening with occasional wintry showers, but these clearing away to the east after midnight. A widespread frost developing by morning as cloud breaks up. Minimum temperature -2 deg C (28 deg F).

Monday:
After a frosty start, Monday should be mostly dry with some sunny spells, although the odd shower can't be ruled out in the afternoon. Maximum temperature 10 deg C (50 deg F).

Outlook for Tuesday to Thursday:
Tuesday generally dry and bright after early frost, but with isolated showers possible in the afternoon. Staying fine and dry through Wednesday and Thursday, but still with some overnight frost.
